CONTACTS

La Pescaia has been in our family since 1522.

For centuries, its ancient stone walls stood in quiet witness to the passing of time — and to the blossoming of many love stories.

Only recently have we opened our doors to the public.

In that same spirit of intimacy and celebration, we are proud to offer a private and timeless setting where you can craft a truly **authentic and magical** experience for your special day.

Your Tuscan fairytale in an enchanted location.

An ancient villa surrounded by olive groves, wild gardens and the golden countryside of the Maremma will be the perfect backdrop for the most romantic day of your life.

During your stay, you will enjoy the **exclusive use of our resort** with your family and friends. Here, you can relax by the swimming pool or under the shade of an ancient tree, take peaceful walks in the surrounding woods, visit world-renowned Tuscan wineries or spend the day at the beach. Everything is here, waiting for you — slow, simple, and unforgettable.

ACCOMMODATION

The Resort can host up to **44 guests** across **four distinct buildings** overlooking the central courtyard of the historic estate. Each building has its own unique charm, offering a variety of styles to suit different tastes and needs. All accommodations share the same high-quality amenities and generous common areas, ensuring every guest enjoys a tranquil, elegant, and comfortable stay.

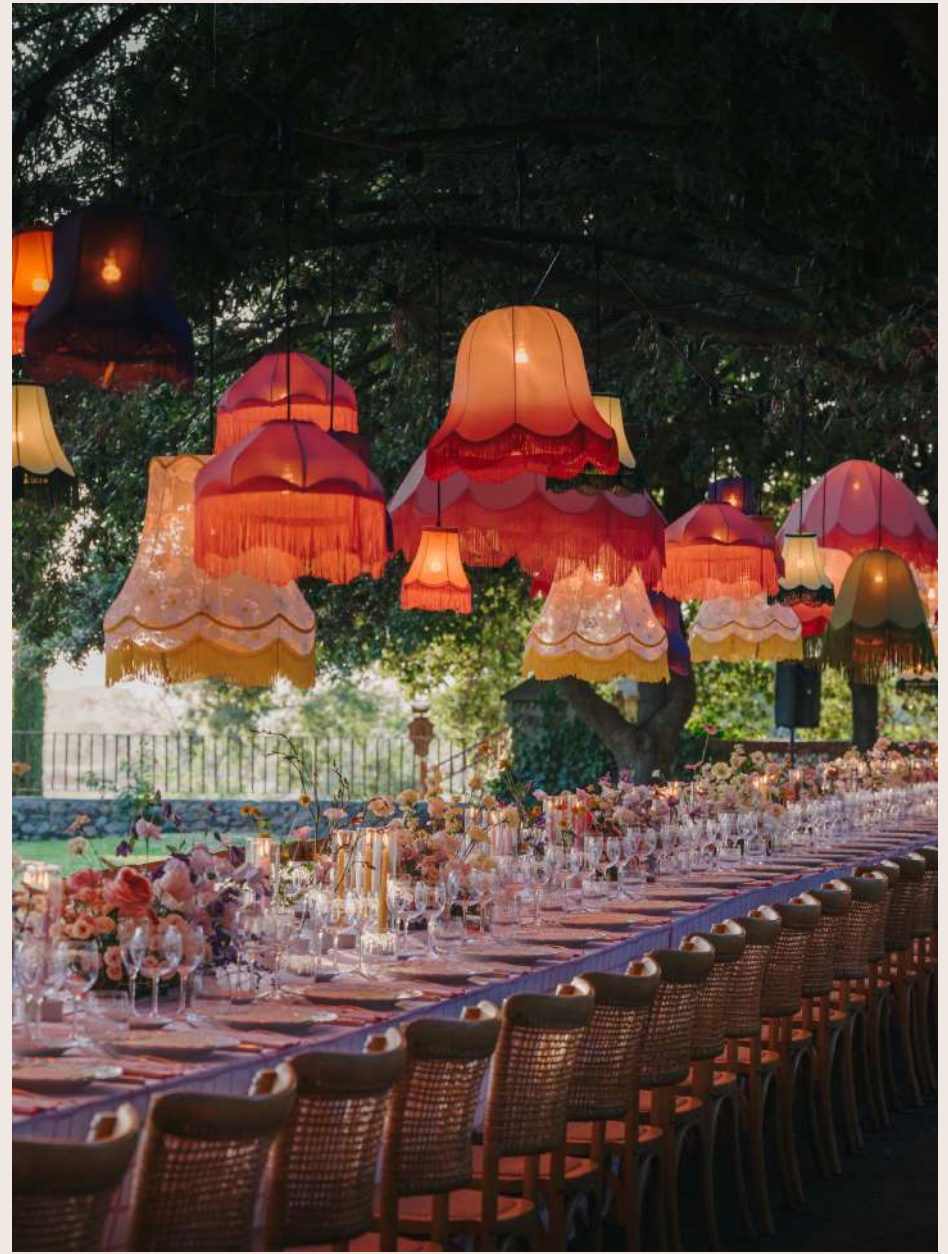

WEDDING VENUE

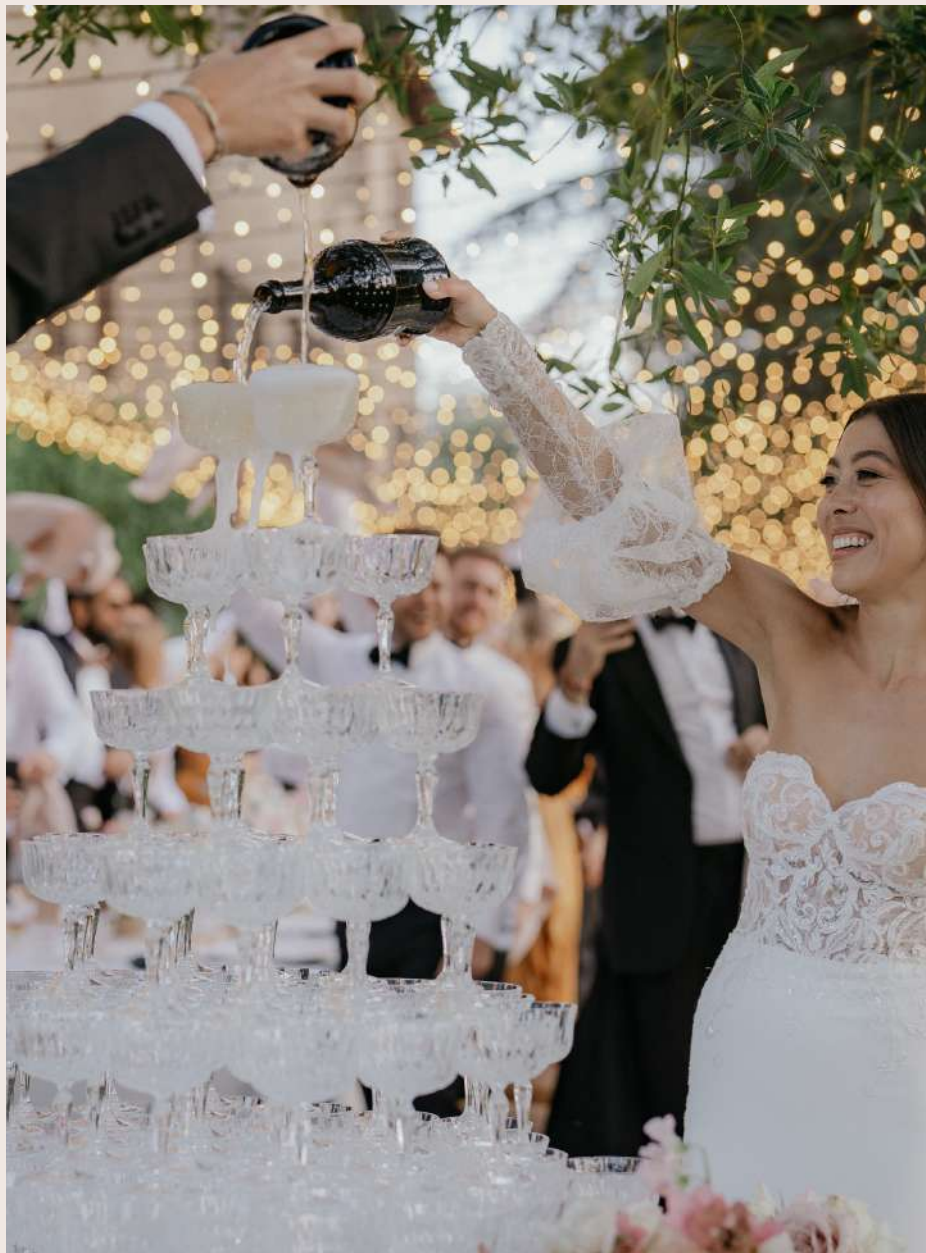

La Pescaia offers the uniqueness of several locations
for each moment of your celebration.

Three luxuriant gardens embrace **Villa Tolomei**: the majestic central courtyard, the shaded park with ancient trees, and the intimate pool garden surrounded by greenery. Within the historic stone walls, you'll find the **small family chapel**, the **ancient granaries**, and the **beautiful bar**—each space telling its own story, steeped in timeless charm.

Each couple will have the opportunity to design a **bespoke wedding experience**, flowing effortlessly through different spaces and atmospheres, from ceremony to dinner, from dancing to quiet moments under the stars.

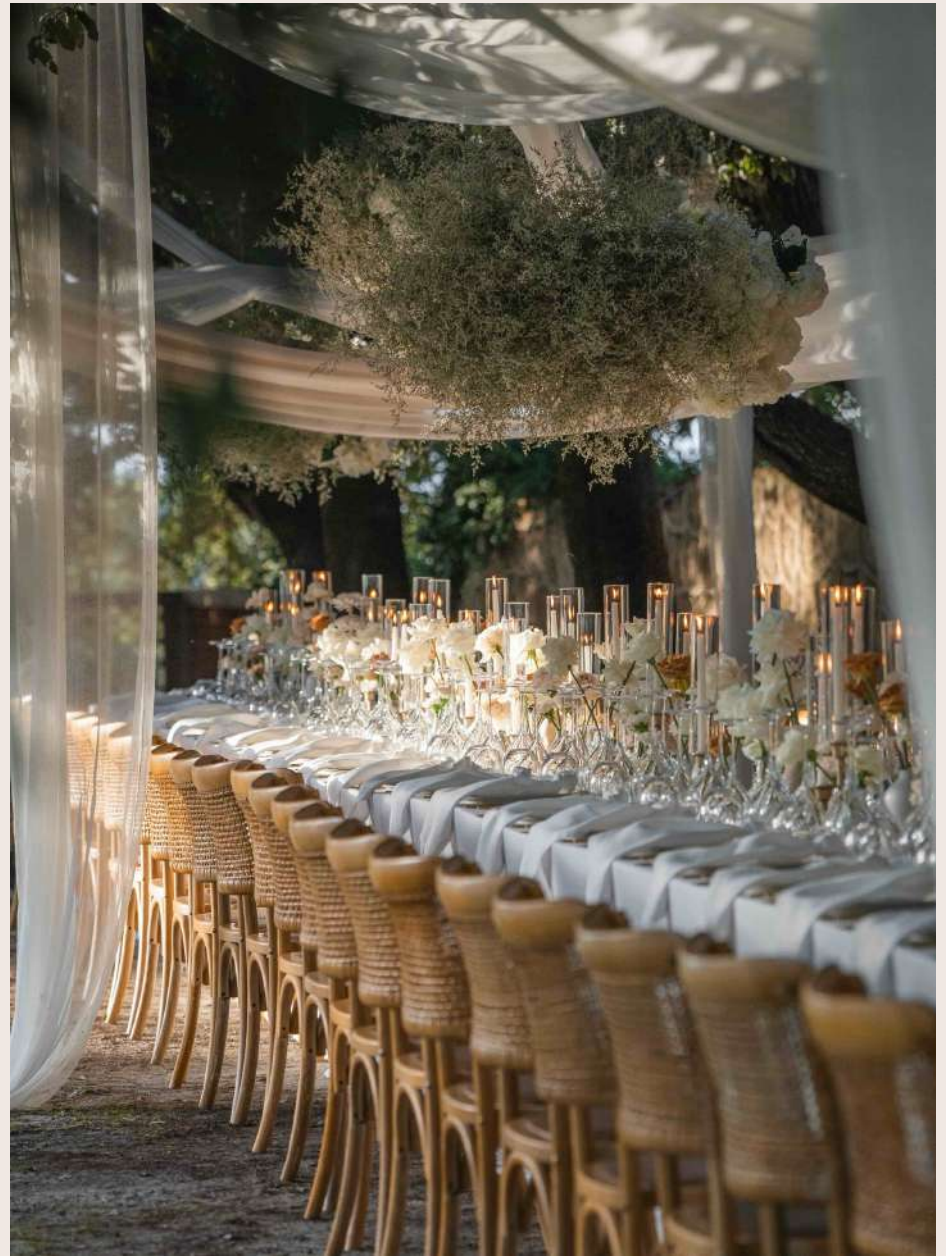

CATERING

La Pescaia is proud to collaborate exclusively with the historic Guidi-Lenci catering company for all wedding banquets held at the Resort. Founded in Florence in the 1930s, Guidi-Lenci is one of the most prestigious and renowned banqueting companies in Tuscany. Their meticulous attention to detail, commitment to using only the finest raw ingredients, and the creativity and passion that permeate every aspect of their work perfectly reflect the values we share at La Pescaia.

OTHER EVENTS

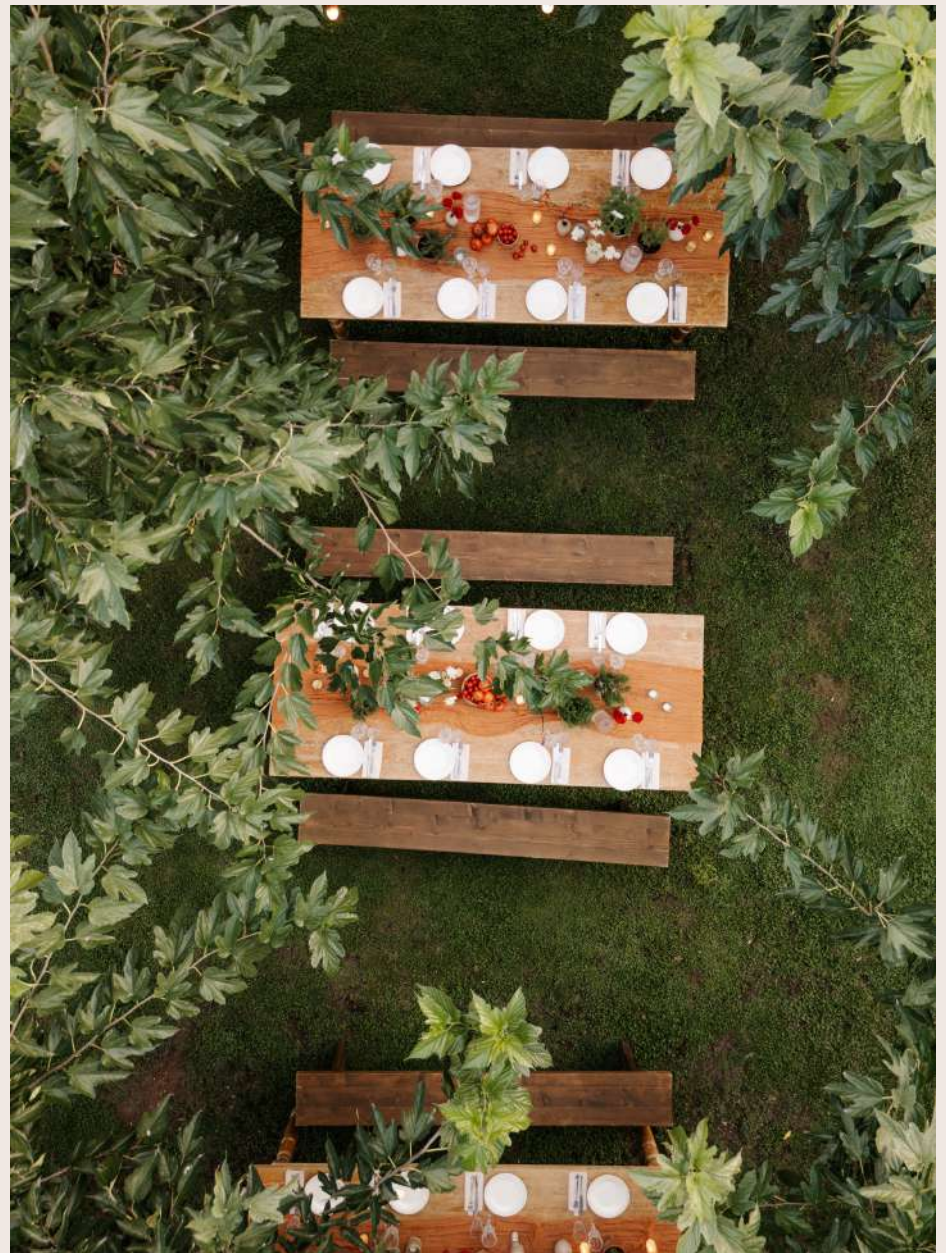

Guests can make the most of their stay at the Resort with a selection of exclusive pre- and post-wedding event options.

The celebrations can begin with a **Welcome Dinner** — a relaxed and authentic Tuscan evening, perfect for bringing together family and friends in a warm, informal atmosphere.
